Bisa ga ganewar Allah, zuciyar dan adam tana shan wahala a ruhaniya da dabi'a fiye da ta jiki. Kuma daidai yanayi ne na damuwa wanda ke haifar da rashin lafiya ta jiki kuma yana shafar zuciya. Saboda wannan dalili, yawancin kwararrun likitocin fid'a suna habaka ingantaccen aikin su tare da aikace-aikacen ilimin halin dan adam da ilimin halin dan adam. Kwarewa ta nuna cewa masu tawayar ba sa amsawa ga jiyya ta psychotherapeutic na asibiti gabadaya ko kuma aikin tiyata. An ambaci zuciyar mutum a karon farko a cikin Littafi Mai Tsarki (Littafi Mai Tsarki), inda Allah ya tabbatar da haka: "Kowane tunanin tunanin zuciyarsa kuwa mugu ne kulum." (Farawa 6:56).

Mutane da yawa karni daga baya, da annabin Allah mai suna Irmiya ya tabbatar: "The zuciya ne komi da kuma mugaye, wanda zai san shi? Na da **Ubangijinsu** bincika cikin zuciya, to saka wani mutum bisa ga hali, bisa ga abin da ya sana'anta cancanci ." (Irmiya 17:9-10). Shekaru daruruwan sun riga sun shude, tun da Dan Allah, Ubangiji Yesu Kristi, ya yi wa'azi: "Amma abin da ke fitowa daga baki, daga cikin zuciya yake fitowa, wannan kuwa yana kazantar da mutum. na zuciya, zina, fasikanci, sata, shaidar zur, sabo." (Matta 15:18-19). Tun daga wadannan lokatai na Kristi, abubuwa sun gyaru a duniya? A'al! Babu shakka A'al! Har yanzu bil'adama yana fama da irin wannan mugunta, yayin da zukatansu ke ci gaba da lalacewa zuwa ga mugunta.

Ci gabon kimiyya abin sha'awa ne. Likitocin zuciya a kasashe da dama a yanzu suna gudanar da aikin dashen zuciya, wasu kuma da alamun nasara. Amma mahaliccín Allah ne ya yi alkawarin dashen zuciya fiye da shekaru 3,000 da suka shige ta wurin sanar da cewa: "Zan ba ku **sabuwar zuciya**, in sa sabon ruhu a cikinku, in cire zuciyar dutse daga jikinku, ni kuwa in ba ku zuciya ta jiki." (Ezekiel 36:26).

Za mu yi kyau mu halarci hadayar Allah da take ci gaba, Ruhu da Amarya sun ce: Ku zo, mai jin kishirwa ya zo, duk wanda kuma yake so ya dauki ruwan rai kyauta. (Wahayin Yahaya 22:17). Taimakon tiyata da kwararru kan cututtukan kwayoyin halitta, a yawancin lokuta, na iya tsawaita rayuwar mutum; Duk da haka, irin wannan rayuwa ba za ta gushe ba ta zama gajere da iyaka, ta kare wata rana da mutuwa babu makawa.

Idan kimiyya ta yi irin wannan koñkarce-koñkarce don tsawaita rayuwar dan adam, balle mu riñe alkawarin Allah na Yesu Kristi, da sanin cewa: "Dole ne dukanmu mu bayyana a gabon Kotun Koli na Kristi, domin kowannenmu ya bayyana. mutum yana karba bisa ga abin da ya yi sa'ad da yake duniya, mai kyau ko marar kyau? Sanin cewa idan kowa yana cikin Kristi, sabon halitta ne: tsofaffin al'amura sun shude, ga shi, duka sun zama sababbi." (2) Korantiyawa 5: 10, 17).

Idan lamirinka yana zarginka cewa "zuciyarka ba ta da gaskiya a gabon Allah" (Ayyukan Manzanni 8:21), sai ka yi tambaya tare da Mai Zabura Dauda: "Ka halicci zuciya mai-tsabta a cikina, ya Allah, ka sabunta mini Ruhu mai-adalci." (Zabura 51:10). Ku sani cewa idan kun yi haka, akwai garanti 100% daga Allah, mai ba da alkawarin warkarwa ga cutarwar ruhaniya ta zuciyar ku. Domin Allah ya yi alkawari kuma yana so ya ba ku sabuwar zuciya da rai madawwami!

Idan ka sami ceto cikin Kristi, ko kuma an albarkace ka ta littattafan Bishara, da fatan za a sanar da mu. Muna son gode wa Allah tare da ku, kuma mu kara ambaton ku a cikin addu'o'inmu. Don littattafan Bishara kyauta, littattafai da warkoči a cikin harsuna sama da 540, da fatan za a tuntube mu:
