The Heart of Man

or

The Spiritual Heart Mirror

(An Allegorical Representation in Ten Pictures)

This booklet with its illustrations originated in France in 1732. It is known as the "Spiritual Heart Mirror," or "Heart Book," and owing to its deep scriptural truth and value, has been, and still is, in circulation in practically every European language as well as in many African languages, and is being read by all classes of people and all creeds.

Many have experienced the truth of God's promise in the Old Testament, which has been fulfilled in the New, "A New heart will I give you, and a new Spirit will I put within you" (Ez. 36:26; Hebr. 8:10).

Whosoever committeth sin transgresseth also the law ; for sin is the transgression of the law.

And ye know that He was manifested to take away our sins ; and in Him is no sin.

Whosoever abideth in Him sinneth not : Whosoever sinneth hath not seen Him, neither known Him.

Little children, let no man deceive you: he that doeth righteousness is righteous, even as He is righteous.

He that committeth sin is of the devil ; for the devil sinneth from the beginning. For this purpose the Son of God was manifested, that He might destroy the works of the devil.

Whosoever is born of God doth not commit sin; for His seed remaineth in him : and he cannot sin, because he is born of God.

In this the children of God are manifest, and the children of the devil : whosoever doeth not righteousness is not of God, neither he that loveth not his brother.

(1 John 3:4-10).
