EXPLANATORY NOTE

This pamphlet with its illustrations originated in France in 1732. It is known as the "Spiritual Heart Mirror", or "Heart Book", and owing to its deep scriptural truth and value, it has been, and still is in circulation in practically every European language, and is being read by all classes of people and all creeds.

In abbreviated form and adapted to the Bantu way of living and thinking, this little booklet has found its way into the homes and hearts of the Bantu, so that many have experienced the truth of God's promise in the Old Testament, which has been fulfilled in the New: "A new heart I will give you and a new spirit will I put within you." — Ez. 36:26; Hebr. 8:10.
